

The Illinois Housing Development Authority (IHDA) has announced that a new Emergency Mortgage Assistance Program is scheduled to start August 24th. The on-line application is accessed at

<https://ema.ihda.org/>.

Applications for the EMA program will be accepted August 24 – September 4 (please note: IHDA anticipates a high volume of applications and may close down the applications sooner).

IHDA has \$150 million available for the EMA program and will provide assistance of up to \$15,000 per household. Putting in an application is no guarantee of receiving assistance.
